Sir:

In response to the Notice Of Defective Response, dated June 12, 2006, Applicants submit herewith one floppy disk containing a computer readable form (C.R.F.) of the Sequence Listing and a paper copy of the Sequence Listing. Please amend the specification to incorporate the Sequence Listing. Enclosed is the following:

1. One floppy disk containing the C.R.F. of the Sequence Listing filed with the attached Notice of Defective Response.

2. A paper copy of the Sequence Listing is attached hereto. Entry of the paper copy of the Sequence Listing and the Computer Readable Form thereof is respectfully requested.

3. In accordance with 37 C.F.R. 1.821(f), the submitted C.R.F. Sequence Listing does not contain new matter. The content of the paper copy of the Sequence Listing and the C.R.F. are taken from the original specification filed January 24, 2002. The only changes are to numbering and format and to information associated with description of the origin of the sequences.

4. Applicants submit a statement by James A. Coburn, in accordance with 37 C.F.R. 1.821(f), stating that the content of the attached paper copy and the attached computer readable copy of the C.R.F. Sequence Listing are the same.

5. All statements made herein are true and that all statements made on information and belief are believed to be true, and that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such

willful false statements may jeopardize the validity of the application or any patent resulting therefrom.

Respectfully submitted,
